system designs, computer codes, and any documents or drawings that are related to infrastructure security received from the State of Nevada, Department of Motor Vehicles ("Department"), or created by the agency as necessary to render performance under this Agreement, strictly confidential. Except for the sharing of information among law enforcement agencies for law enforcement purposes under NRS 481.063 Section 6, 1 agree that I will not disclose any of the items as referenced in this subsection to a person who is not a party to this agreement absent the express written consent of the Department. I further understand and agree that the Department may be required to disclose, in certain instances, some of the above items in compliance with Nevada Public Records Law, and these instances do not change my or my organization's obligations to maintain confidentiality as set out above. The confidential items, as set out above, specifically include, but are not limited to, the following items: 1) Information regarding defense in-depth strategies, Information Security Policies, Information Security Plans, Intrusion Protection / Prevention systems, access cordes for software applications; and security procedures, processes, and recovery plans. 2) Specific data collected in preparation of connection to the Department's information essential to the Department's information security. 3) Security testing results, especially if the results identify specific system vulnerabilities. I also agree and understand that this confidentiality provision's purpose is to prevent public disclosure that may have an impact on public safety or security, including but not limited to, security of personally identifiable (PII) information. In addition to any other indemnification agreements contained in this Affidavit, I further agree to indemnify, hold harmless, and defend the Department from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, base						
Being first duly sworn under penalty of perjury I hereby state: (a) I submit I have been duly authorized to represent myself or organization(s) for which I enter into this binding agreement. Subsequently I have read, fully understand and agree to abide by the laws and regulations now in effect and hereinafter enacted or adopted regarding the manner in which personal information from the Department of Motor Vehicles driver's license, registration files and records may be obtained and the limited uses which are permitted: (b) I understand that any sale or disclosure of information so obtained must be in accordance with the provisions of this section. Specifically, that I must keep records of such sale or disclosure for five years for Department inspection, and that such sale or disclosure may only be for a use permitted under law; (c) I understand that a violation of the provisions of NRS 481.083 and NRS 485.316 is a criminal offense. Specifically, that it is unlawful to make a false representation to obtain any information from the Department, or to knowingly obtain or disclose any information from the Department, or to knowingly obtain or disclose any information from the flies or records of the Department for any use not permitted by the provisions of this chapter.
