EMISSION CONTROL EXEMPTION APPLICATION

Pursuant to NAC 445B.591

Nevada regulations require a vehicle emission inspection prior to the registration of your vehicle.

If your vehicle is based in a county that requires an emission inspection, but currently meets any of the below listed criteria, you may register your vehicle or renew your current registration by completing the Exemption Application located on the back of this form.

- If your vehicle is temporarily used and maintained in the State of Nevada, in an area or county that does not require an emission inspection; or
- If your vehicle is temporarily used and maintained outside of the State of Nevada, in an area that does not require an emission inspection

Your registration application or registration renewal form must be accompanied by the Exemption Application. You may submit these documents in person or by mail. If you submit your documents by mail you must include a check or money order in the exact amount of your registration fee. All documents must be received prior to the expiration of your current registration.
