TRANSFER ON DEATH APPLICATION FOR AN OFF-HIGHWAY VEHICLE

NAC 490.435

Transfer on Death allows off-highway vehicle owners to add or remove a beneficiary to their title. The off-highway vehicle owner must be an individual, not a business. Only three off-highway vehicle owners and the beneficiary can be listed on a certificate of title. A title fee, the certificate of title, and this application must be submitted to the Department of Motor Vehicles (DMV) to make this change. A new Nevada certificate of title will be issued with the beneficiary's name and the "Transfer on Death" designation.

Only one name can be listed on the certificate of title as the beneficiary. A beneficiary cannot be added to the title when there is a lienholder or ownership is designated as "Tenants in Common." The beneficiary does not have interest or control of the off-highway vehicle. If a lienholder or lessor is added to the title later, the beneficiary will be removed from the title.

To transfer the ownership to the beneficiary, the beneficiary must submit the title (if available), title fee, and certified death certificate of the off-highway vehicle's legal owner(s). If more than one owner is on the title, the beneficiary cannot become the off-highway vehicle owner until all owners are deceased.

Off-highway vehicle transactions cannot be completed at DMV offices. All forms and fees (if any) must be mailed to the DMV at the address above or taken to a licensed Nevada off-highway vehicle dealer.
