For those motor vehicles exempted from emission testing, 1968 and newer, the Department will collect a one-time fee of $6.00, to be deposited into the pollution control account. These fees are in addition to all other registration fees. The renewal fee for an Old Timer license plate is $10, in addition to all other applicable registration fees.

If your vehicle is currently registered, you have the option to maintain your current vehicle expiration date or renewing for a full twelve (12) month period.
